TESTIMONIAL FOR MILITEC-1

TERRY HALL – DIRECTOR OF VAST SUPPLIES LTD.

WE ARE A FAMILY RUN COMPANY AND HAVE BEEN TRADING FOR TEN YEARS.

AS WITH MOST COMPANIES, OVERHEADS ARE A PROBLEM AND AS MOST COMPANIES KNOW THE RUNNING OF VEHICLES NOWADAYS IS A BIG DRAIN ON CASH FLOW.

WE WERE APPROACHED TO TRY MILITEC-1, AND WE HAVE BEEN TRYING IT OUT FOR THREE MONTHS IN THE COMPANY CAR.

IT IS GIVING A FUEL SAVING OF AROUND 7% - 10%. WE FIND ON LONG RUNS IT IS A LOT BETTER.

IF YOU WOULD LIKE TO SPEAK TO ME, PHONE ANY TIME ON THE NUMBERS ABOVE.
